- (2) All persons having functions under this Act are required to have due regard to the objects referred to in subsection (1) when exercising those functions.

5 Directions by the Minister to protect integrity of casino gaming

- (1) The Minister may, after consultation with the Authority, give directions and furnish guidelines to the Authority as to how the Authority is to exercise any of its functions under this Act but only if the Minister is of the opinion that the direction or guideline:

Part 2 Licensing of casino and Barangaroo restricted gaming facility

6 Only one casino and one restricted gaming facility

- (1) Subject to subsection (2), only one casino licence may be in force under this Act at any particular time. A casino licence is to apply to one casino only.
- (2) A restricted gaming licence may be granted under this Act to operate the Barangaroo restricted gaming facility. Only one restricted gaming licence may be in force under this Act at any one time.

Note. The Barangaroo restricted gaming facility is treated as a casino for the purposes of this Act (see the definition of *casino*). Except where otherwise specifically provided, the provisions of this Act that relate to a casino or a casino licence also apply in relation to the Barangaroo restricted gaming facility and a restricted gaming licence.

- (3) Sections 7–12 do not apply in relation to an application for a restricted gaming licence.

7 Ministerial directions as to requirements for casino

- (1) The Minister may from time to time give a direction in writing to the Authority as to any of the following matters:
 - (a) the permissible location for a casino,
 - (b) the required size and style of a casino,
 - (c) the development required to take place in conjunction with the establishment of a casino, such as the development of a hotel or other complex of which a casino is to form part,
 - (d) any other prescribed matter concerning the establishment of a casino.
- (2) Before giving a direction on any matter to the Authority, the Minister is to call for a report on the

matter from the Authority and is to consider the Authority's report.

- (3) A direction as to the permissible location for a casino must not specify a particular site unless the site is vested in the Crown or the Crown has the exclusive right of occupation of the site.
- (4) The Minister may vary or revoke a direction by a further direction in writing to the Authority.
- (5) The Authority must exercise its functions under this Act in respect of the grant of a casino licence, the conduct of negotiations and the entering into of agreements in a manner that is consistent with the directions of the Minister under this section.

8 Gaming machines in casino

- (1) Before directing the Authority to invite expressions of interest under section 9, the Minister is to establish an inquiry into the likely effect of the availability of gaming machines in a casino on the operations and viability of the registered club and hotel industries.
- (2) The Minister may then give a direction in writing to the Authority as to whether or not and to what extent (if any) gaming machines are to be available in a casino.
- (3) The Minister may vary or revoke a direction by a further direction in writing to the Authority.
- (4) The Authority must exercise its functions so as to give effect to a direction by the Minister under this section.
- (5) In this section, *gaming machine* means any device the Minister determines to be a gaming machine for the purposes of this section.

9 Authority may invite expressions of interest

- (1) At the direction of the Minister, the Authority is to publicly invite expressions of interest for the establishment and operation of a casino and may provide information concerning the requirements for the casino to any person who expresses interest.
- (2) The same information is to be provided to the persons who express interest in a particular casino, so as not to advantage or disadvantage any interested person.
- (3) The invitation must be in terms that are consistent with any applicable directions of the Minister under section 7.
- (4) The invitation need not relate solely to the establishment and operation of a casino but may also relate to any other matter that the Authority considers relevant, such as the development of a hotel or other complex of which the casino is to form part.
- (5) The Authority is entitled to charge a fee for the provision of information under this section and persons provided with information are to be charged the same fee.
- (6) The Authority is not to invite expressions of interest except at the direction of the Minister but the fact that the Minister has directed that expressions of interest be invited does not necessarily mean that the Minister will direct the Authority to invite applications for a casino licence.

10 Application for casino licence

- (1) At the direction of the Minister, the Authority is to publicly invite applications for a casino licence and must not invite applications except at the direction of the Minister.
- (2) The invitation must be in terms that are consistent with any applicable directions of the Minister under section 7.
- (3) A person is not entitled to make an application for a casino licence unless and until the Authority invites applications and is only entitled to make an application that conforms with the terms of the Authority's invitation.
- (4) Unless the Authority otherwise permits in a particular case, an application must comply with the following requirements:
 - (a) it must be made in a form approved by the Authority,
 - (b) it must be accompanied by such fee as may be determined by the Authority in respect of applications for the licence concerned,
 - (c) it must contain or be accompanied by such information as the application form requires and such additional information as the Authority may request.

- (2) For that purpose the Authority is to consider whether:

- (a) each of those persons is of good repute, having regard to character, honesty and integrity, and

- (2) An application for a restricted gaming licence must comply with the following requirements (except to the extent that the Minister otherwise determines):
 - (a) it must be made in a form approved by the Authority,

 - (c) it must be verified by statutory declaration.

13A Restricted gaming licence—suitability of applicant and close associates of applicant

- (2) For that purpose, the Authority is to consider whether:
 - (a) each of those persons is of good repute, having regard to character, honesty and integrity, and

- (4) Investigation time is not to be extended unless the Authority is of the opinion that the special circumstances of the case (such as, for example, the complex nature of the inquiries that need to be made or the need to consult other agencies) make the extension necessary or desirable and that public interest considerations justify the extension.
- (5) Investigation time can be extended more than once but cannot in any case be extended to more than 6 months after the contract notice was given to the Authority.
- (6) It is a condition of a casino licence that the casino operator must comply with this section but a failure to comply with this section does not affect the validity of any contract or variation of contract.

37A (Repealed)

38 Requirement may be extended to associates of casino operator

- (1) The Authority may, by notice in writing to a person who the Authority considers has some association or connection with a casino operator that is relevant to the operation or management of the casino, direct that section 37 is to apply to the person.

- (4) After considering any submissions so made, the Authority may, by notice in writing served on each party to the contract, require the contract to be terminated within a time specified in the notice.
- (5) If the contract is not terminated as required by the notice it is terminated by force of this section.

40 Effect of termination

If a contract is terminated in accordance with this Division:

- (b) no liability for breach of contract is incurred by a person who was a party to the contract by reason only of that termination, and
- (c) neither the Crown nor the Authority incurs any liability by reason of that termination.

41 Offence—giving effect to terminated contract

A party to a contract terminated in accordance with this Division must not give any further effect to any part of the contract.

Maximum penalty: 100 penalty units.
