- (3) Subsection (2) is subject to such exceptions as may be approved by the Authority on a temporary basis in relation to any particular hotel or to such other exceptions as may be prescribed by the regulations. Also, subsection (2) does not apply to the extent that is necessary to comply with any other provision of this Act or with any other law.
- (4) **Food must be made available** Liquor may only be sold or supplied in a hotel if food of a nature consistent with the responsible sale, supply and service of alcohol is made available whenever liquor is sold or supplied on the premises for consumption on the premises. If any requirements are prescribed by the regulations in relation to the nature of any such food, those requirements must be complied with.
- (5) **Prohibition on residents and employees drinking liquor in bar area outside trading hours** Liquor may not be sold or supplied to, or consumed by, a resident or an employee of the licensee in a bar area of the hotel except at the time when liquor is authorised to be sold or supplied to other persons in that or any other bar area of the hotel. This subsection has effect despite any other provision of this Act, but is subject to subsection (6).
- (6) The Authority may, on application by a hotelier, authorise the use of a bar area of the hotel for the sale, supply or consumption of liquor exclusively to, or by, residents at a time when liquor may not otherwise be sold or supplied in a bar area of the hotel.

**Note.** Section 51 applies to an authorisation referred to in this subsection.

**Note.** Small bars in a non-prescribed precinct can apply for longer trading periods under section 49A. Small bars in a prescribed precinct can also apply for an extended trading authorisation under section 49A to trade after midnight.

## **Division 4 On-premises licences**

### **21 Certain kinds of premises not to be licensed**

- (1) An on-premises licence must not be granted in respect of any premises if the premises—

  - (b) are of a kind of premises,  
prescribed by the regulations for the purposes of this section.
- (2) The authorisation conferred by an on-premises licence does not apply if the licensed premises—
  - (a) are used primarily for the purposes of carrying out any such business or activity prescribed by the regulations, or
  - (b) are premises of any such kind prescribed by the regulations.

### **22 Primary purpose test**

- (1) An on-premises licence must not be granted in respect of any premises if the primary purpose of the business or activity carried out on the premises is the sale or supply of liquor.
- (2) The authorisation conferred by an on-premises licence does not apply if the primary purpose of the business or activity carried out on the licensed premises at any time is the sale or supply of liquor.

- (4) Subsections (1) and (2) are also subject to such exceptions as may be prescribed by the regulations.

### **23 On-premises licence must specify business/activity or kind of licensed premises**

- (1) An on-premises licence must specify the kind of business or activity carried out on the licensed premises or the kind of licensed premises to which the licence relates.
- (2) Without limiting the kinds of businesses or activities (or the kinds of premises) in respect of which on-premises licences may be granted, an on-premises licence may be granted in respect of a public entertainment venue.
- (3) More than one kind of business or activity or kind of premises may be specified in an on-premises licence. However, a separate on-premises licence is, except in the circumstances referred to in section 25(6), required for each set of premises.
- (4) The licensed premises to which an on-premises licence relates may be described by reference to the kind of business or activity carried out on the premises or the kind of premises concerned.

**Note.** For example, the terms “licensed restaurant” and “licensed public entertainment venue” are used in this

Act to refer to premises in respect of which an on-premises licence relating to a restaurant or public entertainment venue, respectively, is granted.

- (5) The business or activity, or the kind of premises, specified in an on-premises licence may, on application by the licensee, be varied by the Authority. Any such variation may include the addition of a specified business or activity, or a specified kind of premises, in respect of the licence.
- (6) The authorisation conferred by an on-premises licence does not apply if—
  - (a) the business or activity carried out on the licensed premises is not the business or activity specified for the time being in the licence, or
  - (b) the licensed premises at any time do not comprise premises of the kind specified for the time being in the licence.

- (2) **Regulations may limit products or services provided on licensed premises** A product or service is not to be considered a product or service for the purposes of subsection (1) if it is, or is of a class, specified by the regulations for the purposes of this subsection.
- (3) **Authorisation to sell or supply liquor without other product or service** Despite subsection (1), the Authority may, on application by the holder of an on-premises licence, endorse the licence with an authorisation that allows liquor to be sold or supplied for consumption on the licensed premises otherwise than with, or ancillary to, the other product or service referred to in that subsection.

**Note.** Section 51 applies to any such authorisation.

- (3A) However, the other product or service must be available on the licensed premises at all times while the authorisation operates to allow liquor to be sold or supplied otherwise than with, or ancillary to, the product or service.
- (4) Subsection (1) does not apply if the premises to which the licence relates—
  - (a) are part of an airport, or
  - (b) are located on land occupied by a tertiary institution and cater for students of that institution, or
  - (c) are exempt from the primary purpose test referred to in section 22.

  - (c) between noon and 10 pm on that day (but only if the liquor is sold with or ancillary to a meal served in a dining area on the licensed premises),
  - (d) between 10 pm and midnight on that day (but only if authorised by an extended trading authorisation and only if the liquor is sold with or ancillary to a meal served in a dining area on the licensed premises).

**Note.** Section 49(7) restricts the granting of an extended trading authorisation for licensed public entertainment venues on restricted trading days.

- (4) Subsection (3) does not apply to—
- (a) licensed premises that are part of an airport, or
  - (b) an on-premises licence that relates to a catering service.
- (5) **Trading on new year's eve** On 31 December in any year, liquor may be sold for consumption on the licensed premises from the start of the standard trading period for that day until 2 am on the next succeeding day. This subsection does not limit the operation of any extended trading authorisation that applies in relation to the licensed premises concerned.
- (6) **Trading on premises other than licensed premises** An on-premises licence also authorises the licensee to sell liquor by retail on such premises and in such circumstances as the Authority may, on application by the licensee, authorise, but only for consumption on those premises and at such times as are specified by the Authority in the licence. Any such premises are, subject to the regulations, taken to be licensed premises for the purposes of this Act.

- (b) to a resident at any time for consumption away from the licensed premises, but only if—
  - (i) the sale is ancillary to the provision of a meal for consumption away from the licensed premises, and
  - (ii) the volume of liquor supplied to any such resident on any one day does not exceed 2 litres.

(9) **Special provisions relating to licensed vessels** Despite any other provision of this section, an on-premises licence that relates to a vessel authorises the licensee to sell liquor by retail to passengers on board the vessel, for consumption on board the vessel only—

- (a) between the period commencing one hour before the vessel starts any voyage or passage and ending 30 minutes after the voyage or passage is completed, or
- (b) at such other times, or in such other circumstances, as the Authority may, on application by the licensee, authorise.

**Note.** Section 51 applies to an authorisation referred to in paragraph (b).

## **26 Authorisation to sell liquor for consumption away from licensed premises in special circumstances**

- (1) Despite section 25(1), liquor may be sold by retail on the licensed premises to which an on-premises licence relates for consumption away from the licensed premises if the licence is, on application by the licensee, endorsed by the Authority with an authorisation for the purposes of this section.

**Note.** Section 51 applies to an authorisation under this section.

## **27 Requirement to provide food on licensed premises**

  - (b) to a particular class, or particular classes, of persons using or attending the licensed premises.
- (3) Subsection (2) is subject to such exceptions as may be approved by the Authority on a temporary basis in relation to any particular licensed premises or to such other exceptions as may be prescribed by the regulations. ### **30 Liquor sales area required if bottle shop is part of another business activity**

- (1) If the primary purpose of the business carried out on the premises to which a packaged liquor licence relates is not the sale of liquor for consumption away from the licensed premises, liquor may only be sold under the licence in an area of the licensed premises (*the liquor sales area*) that is adequately separated from those parts of the premises in which other activities are carried out.
- (2) The principal activity carried out in any such liquor sales area must be the sale or supply of liquor for consumption away from the licensed premises.

### **31 Restrictions on granting packaged liquor licences**

- (2) An application for a licence may be made by—
  - (a) an individual, or

- (3) An application for a licence may not be made by—
  - (a) an individual who is under the age of 18 years, or
  - (b) a person who is disqualified from holding a licence or who holds a suspended licence, or
  - (c) an individual who is a controlled member of a declared organisation within the meaning of the *Crimes (Criminal Organisations Control) Act 2012*.

**Note.** Controlled members are prohibited from applying for licences—see section 27 of the *Crimes (Criminal Organisations Control) Act 2012*.

- (4) An application for a licence must—
  - (a) be in the form and manner approved by the Authority, and
  - (b) be accompanied by the fee prescribed by the regulations and such information and particulars as may be prescribed by the regulations, and
  - (c) be advertised in accordance with the regulations, and
  - (d) comply with such other requirements as may be approved by the Authority or prescribed by the regulations.

**Note.** See also section 48 which requires a community impact statement to be provided with certain licence

applications.

- (5) If, before an application for a licence is determined by the Authority, a change occurs in the information provided in, or in connection with, the application (including any information provided in accordance with this subsection), the applicant must immediately notify the Authority of the particulars of the change.

#### **41 Statement as to interested parties**

- (1) An application for a licence must be accompanied by a written statement, made by a person having knowledge of the facts, specifying—
  - (a) that the person has made all reasonable inquiries to ascertain the information required to complete the statement, and
  - (b) whether there are any persons (other than financial institutions) who will be interested in the business, or the profits of the business, carried on under the licence, and
  - (c) if there are any such persons, their names and dates of birth and, in the case of a proprietary company, the names of the directors and shareholders.
- (2) For the purposes of subsection (1), a person is interested in the business, or the profits of the business, carried on under the licence if the person is entitled to receive—
  - (a) any income derived from the business, or any other financial benefit or financial advantage from the carrying on of the business (whether the entitlement arises at law or in equity or otherwise), or
  - (b) any rent, profit or other income in connection with the use or occupation of premises on which the business is to be carried on.
- (3) The regulations may provide exceptions to this section.

#### **42 Investigations, inquiries and referrals in relation to licence applications**

- (1) If the Authority receives an application for a licence, the Authority—
  - (a) may carry out such investigations and inquiries in relation to the application as the Authority considers necessary for a proper consideration of the application, and
  - (b) is to refer the application to the Secretary (unless the regulations otherwise provide).
- (2) The Secretary is to inquire into, and to report to the Authority on, such matters in relation to the application as the Authority may request.
- (3) For the purposes of subsection (2), the Secretary may carry out such investigations and inquiries in relation to the application as the Secretary considers necessary.
- (4) In particular, the Secretary may refer to the Commissioner of Police details of the application together with any supporting information in relation to the application that the Secretary considers to be appropriate for referral to the Commissioner.
- (5) The Commissioner of Police may inquire into, and report to the Secretary on, such matters concerning the application as the Secretary may request.

#### **43 Authority or Secretary may require further information**

- (1) The Authority or the Secretary may, by notice in writing, require a person who has applied to the Authority for a licence, or a close associate of any such person, to do one or more of the following things—
  - (a) provide, in accordance with directions in the notice, such information as, in the opinion of the Authority or the Secretary, is relevant to the investigation of the application and is specified in the notice,
  - (b) produce, in accordance with directions in the notice, such records as, in the opinion of the Authority or the Secretary, are relevant to the investigation of the application and permit examination of the records, the taking of extracts from them and the making of copies of them,
  - (c) authorise a person described in the notice to comply with a requirement of the kind referred to in paragraph (a) or (b),
  - (d) furnish to the Authority or the Secretary such authorisations and consents as the Authority or the Secretary requires for the purpose of enabling the Authority or the Secretary to obtain information (including financial and other confidential information) from other persons concerning the person and the person's associates.
- (2) A person who complies with a requirement of a notice under this section does not on that account incur a liability to another person.
- (3) The Authority may refuse to determine an application if a requirement made under this section in relation to the application is not complied with.

#### **44 Submissions to Authority in relation to licence applications**

- (1) Any person may, subject to and in accordance with the regulations, make a submission to the Authority in relation to an application for a licence.
- (2) If any such submission is made to the Authority, the Authority is to take the submission into consideration before deciding whether or not to grant the licence.

#### **45 Decision of Authority in relation to licence applications**

- (1) The Authority may, after considering an application for a licence and any submissions received by the Authority in relation to the application, grant the licence or refuse to grant the licence. The Authority may determine the application whether or not the Secretary has provided a report in relation to the application.
- (2) The Authority may, in such circumstances as the Authority considers appropriate, treat an application for a licence as having been withdrawn.
- (3) The Authority must not grant a licence unless the Authority is satisfied that—
  - (a) the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, and
  - (b) practices will be in place at the licensed premises as soon as the licence is granted that

ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and that those practices will remain in place, and

- (c) if development consent is required under the *Environmental Planning and Assessment Act 1979* (or approval under Part 3A or Part 5.1 of that Act is required) to use the premises for the purposes of the business or activity to which the proposed licence relates—that development consent or approval is in force.

**Note.** Section 48 also requires the Authority to be satisfied of certain other matters before granting a hotel, club or packaged liquor licence.

- (4) The regulations may also provide mandatory or discretionary grounds for refusing the granting of a licence.
- (5) Without limiting subsection (3)(a), a person is not a fit and proper person to carry on the business or activity to which a proposed licence relates if the Authority has reasonable grounds to believe from information provided by the Commissioner of Police in relation to the person—
- (a) that the person—
- (i) is a member of, or
- (ii) is a close associate of, or
- (iii) regularly associates with one or more members of,
- a declared organisation within the meaning of the *Crimes (Criminal Organisations Control) Act 2012*, and
- (b) that the nature and circumstances of the person's relationship with the organisation or its members are such that it could reasonably be inferred that improper conduct that would further the criminal activities of the declared organisation is likely to occur if the person is granted a licence.
- (5A) Without limiting subsection (3)(a), in determining whether an applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, the Authority is to consider whether the applicant—
- (a) is of good repute, having regard to character, honesty and integrity, and
- (b) is competent to carry on that business or activity.
- (6) The Authority is not, under this or any other Act or law, required to give any reasons for not granting a licence because of subsection (5) to the extent that the giving of those reasons would disclose any criminal intelligence.

#### **46 Duration of licences**

- (1) Except during any period of suspension, a licence continues to be in force until such time as it is surrendered to the Authority, cancelled or otherwise ceases to be in force or, in the case of a licence that is granted for a specified term, when that term expires.
- (2) A licence may be surrendered only in accordance with such arrangements as may be approved by

the Authority.

#### **46A Voluntary suspension of licence**

- (1) A licensee may apply to the Authority to have the licence suspended by the Authority for a specified period.
- (2) An application for the suspension of a licence must—
  - (a) be in the form and manner approved by the Authority, and
  - (b) specify the period that the licensee is seeking to have the licence suspended, and
  - (c) specify the reasons for the proposed suspension, and
  - (d) be accompanied by such fee as may be prescribed by the regulations.
- (3) The Authority may, if the Authority is satisfied that the suspension of the licence is reasonable in the circumstances, suspend the licence, by notice in writing to the licensee, for the period specified in the notice.

**Note.** A licence may also be suspended by or under section 58B, 61(5A), 130C or 130D, Part 9 or 9A or by a court under section 148.
- (4) The Authority may, on application by a licensee and on payment of such fee as may be prescribed by the regulations, vary or revoke the suspension of a licence under this section.

#### **47 Granting of licence**

- (1) The regulations may prescribe, or provide for the determination of, a fee for the granting of a licence. If any such fee is prescribed or determined, the licence does not take effect unless the fee has been paid.
- (2) The Authority may, in granting a licence, specify requirements that are to be complied with before the licence takes effect. The licence does not take effect until such time as any such requirements have been complied with.
- (3) A licence is to be in the form approved by the Authority.

- (3) **Removal of licence between premises in same prescribed precinct** During the freeze period, the Authority must not approve the removal of a licence, being a licence to which this subsection applies, to subject premises from other premises situated in the same prescribed precinct in which the subject premises are situated if the Authority is satisfied that the patron capacity of the subject premises will be more than the patron capacity of the premises from which the licence would be removed.

#### **47H Restrictions on licence conditions imposed by Secretary**

- (1) During the freeze period, the Secretary must not, except in such cases as the Secretary considers appropriate, impose a condition on a licence, or vary or revoke any condition of a licence, being a licence to which this section applies that is held in respect of subject premises, if the Secretary is satisfied that the condition, or the variation or revocation of the condition, is likely to result in an increase in the patron capacity of the premises.

  - (a) an application for development consent from being amended under the EP&A Act by the applicant for the purposes of removing or modifying that part of the application that would otherwise prevent it from being granted because of subsection (1), or
  - (b) the consent authority from determining any such amended application in accordance with that Act.
- (5) A reference in this section—
  - (a) to an application for development consent includes a reference to an application to modify an existing development consent, and

- (4) The community impact statement must—
- (a) be prepared in accordance with the regulations and any requirements of the Authority, and
  - (b) be in the form approved by the Authority.
- (5) The Authority must not grant a licence, authorisation or approval to which a relevant application relates unless the Authority is satisfied, after having regard to—
- (a) the community impact statement provided with the application, and
  - (b) any other matter the Authority is made aware of during the application process (such as by way of reports or submissions),
- that the overall social impact of the licence, authorisation or approval being granted will not be detrimental to the well-being of the local or broader community.

## **Division 2A Periodic licence fees**

### **58A Periodic licence fee**

- (1) A periodic licence fee is payable to the Secretary for a licence while the licence is in force or under suspension and is so payable on each due date prescribed by the regulations for the purposes of this section.

### **Division 3 Licence removals and transfers**

#### **59 Removal of licence to other premises**

- (1) A licensee may apply to the Authority for approval to remove the licence to premises other than those specified in the licence.
- (2) An application for approval to remove a licence to other premises must—
  - (a) be in the form and manner approved by the Authority, and

  - (c) be advertised in accordance with the regulations, and
  - (d) comply with such other requirements as may be approved by the Authority or prescribed by the regulations.
- (3) An application for approval to remove a licence to other premises is to be dealt with and determined by the Authority as if it were an application for the granting of a licence in respect of those other premises. Accordingly, the provisions of Division 1, in particular, extend to an application for the removal of a licence to other premises as if it were an application for a licence.
- (4) The Authority may refuse an application for approval to remove a hotel licence if the Authority is satisfied that the removal of the licence would adversely affect the interest of the owner or a lessee or mortgagee of the premises from which it is proposed to remove the hotel licence, or a sublessee from a lessee or sublessee of those premises.
- (5) The Authority must refuse an application for approval to remove a licence unless the Authority

is satisfied that—

- (a) practices will, as soon as the removal of the licence takes effect, be in place at the premises to which the licence is proposed to be removed that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on those premises and that all reasonable steps are taken to prevent intoxication on those premises, and
  - (b) those practices will remain in place.
- (6) The regulations may provide additional mandatory or discretionary grounds for refusing to approve the removal of a licence.
- (7) The approval to remove a licence to other premises takes effect—
- (a) on payment to the Secretary of the fee prescribed by the regulations, and
  - (b) when the Authority endorses the licence to the effect that those other premises are the premises to which the licence relates.

#### **60 Transfer of licence**

- (1) The Authority may, on application made in accordance with this section, approve the transfer of a licence to a person who, in the opinion of the Authority, would be entitled to apply for the same type of licence in relation to the licensed premises.
- (2) An application for approval to transfer a licence may be made by the licensee or the person to whom the licence is proposed to be transferred.
- (3) In the case of the transfer of a limited licence that is held by a person on behalf of a non-proprietary association, the application for approval to transfer the licence may be made—
- (a) by the secretary or other relevant office holder of the non-proprietary association, or
  - (b) if the non-proprietary association is a local council—by the general manager of the council, or
  - (c) if the non-proprietary association is a public authority or community organisation referred to in paragraph (c) of the definition of *non-proprietary association* in section 4(1)—by the chief executive officer of the authority or organisation.
- (4) An application for approval to transfer a licence must—
- (a) be in the form and manner approved by the Authority, and
  - (b) be accompanied by the fee prescribed by the regulations and such information and particulars as may be prescribed by the regulations, and
  - (c) if made by a person other than the licensee—be accompanied by the written consent of the licensee to the proposed transfer, and
  - (d) comply with such other requirements as may be approved by the Authority or prescribed by the regulations.
- (5) An application for approval to transfer a licence to another person is to be dealt with and

determined by the Authority as if it were an application for the granting of a licence to the other person and the other person was the applicant for the licence. Accordingly, the provisions of Division 1 apply in relation to an application under this section.

- (6) A club licence may be transferred to another club only if the Authority is satisfied that the requirements of Division 1A or 1B of Part 2 of the *Registered Clubs Act 1976* and of any regulations made for the purposes of this section have, to the extent that they apply in relation to the transfer, been complied with.

**Note.** Division 1A of Part 2 of the *Registered Clubs Act 1976* relates to club amalgamations and Division 1B relates to the de-amalgamation of amalgamated clubs.

- (7) The Authority may provisionally approve the transfer of a licence to another person if the Authority is satisfied that—
- (a) there is nothing that would preclude the Authority from approving the transfer of a licence, and
  - (b) the circumstances of the case justify giving the approval on a provisional basis.
- (8) A provisional approval to transfer a licence is sufficient authority for the transfer of the licence. However, any such provisional approval ceases to have effect unless it is confirmed by the Authority before the end of the period specified by the Authority when provisionally approving the transfer (or such later period as may be allowed by the Authority before the expiration of the specified period).
- (9) If a provisional approval to transfer a licence ceases to have effect because of the operation of subsection (8), the Authority may make such orders in relation to the licence as the Authority considers appropriate, including any of the following orders—
- (a) an order that the licence is to revert to the transferor,
  - (b) an order treating a person (with the person's consent) as licensee until a transfer of the licence is effected,
  - (c) an order that the licence cannot be exercised until specified conditions are met or the Authority orders otherwise.
- (10) Any such order has effect according to its terms.
- (11) The Authority must not approve or provisionally approve the transfer of a licence unless satisfied—
- (a) that practices will be in place at the licensed premises of the transferee as soon as the licence is transferred that ensure as far as reasonably practicable that liquor is sold, supplied and served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and
  - (b) that those practices will remain in place.
- (12) The transfer of a licence has effect as if the licence had been granted to the transferee.

### **60A Alternative process for transfer of licence**

- (1) A licence may not be transferred under this section if the transfer involves a change in the ownership of the business carried on under the licence.
- (2) A licence may be transferred under this section to another person (the *transferee*) but only if—
  - (a) the transferee is the holder of a licence of the same type as the transferred licence or was, at any time during the period of 3 years immediately before the transfer, the holder of a licence of the same type as the transferred licence, and
  - (b) the transferee has not committed a prescribed offence within the meaning of section 144B during that 3-year period, and
  - (c) the licence has not been suspended (otherwise than under section 46A) or cancelled, or the licensee has not been disqualified from holding a licence, during that 3-year period.
- (3) The transfer of a licence under this section does not have effect until—
  - (a) the transferee has given the Authority notice in writing of the transfer, and
  - (b) the Authority, on payment of such fee as may be prescribed by the regulations, endorses the licence to the effect that the licence is held by the transferee.
- (4) The Authority may refuse to endorse the licence to that effect if the Authority is of the opinion that the requirements under subsection (2) are not satisfied in relation to the transfer of the licence.
- (5) A notice under this section must—
  - (a) be in the form approved by the Authority, and
  - (b) be accompanied by the written consent of the owner of the business carried on under the licence to the transfer, and
  - (c) must be accompanied by a declaration in writing, in a form approved by the Authority, certifying such matters as may be required by the approved form (including matters relating to the transferee's responsibilities in relation to, and capacity to implement, practices in place at the licensed premises for ensuring the responsible sale, supply and service of alcohol, and the prevention of intoxication, on the premises).
- (6) For the purposes of subsection (2)(b), a prescribed offence is committed in the circumstances referred to in section 144C.

### **61 Application for transfer of licence on dispossession of licensee**

- (1) This section applies in relation to a licence (other than a club licence) if—

- (1) A licence is cancelled if—
  - (a) a relevant prescribed offence event occurs in relation to a prescribed offence committed on the licensed premises, and

Any such notice may be included in the notice under subsection (2).
